**American Lake Veterans Golf Course  
Jack Nicklaus' Front Nine Renovation Campaign**

The Friends of American Lake Veterans Golf Course are conducting a fundraising campaign for the Jack Nicklaus-designed renovation of the front nine holes of the American Lake Veterans Golf Course. We have plans to redo all the greens w/drainage, sand traps, surrounds, and practice greens on these holes. We will also completely replace the irrigation system, redo some tee boxes, and install cart paths. The renovation is estimated to cost \$2.3 million. Unfortunately, we don't quite have all the money we need to complete the project. Therefore, we invite our golfers and volunteers to make an investment in this wonderful venue.

The goal of this campaign is to raise \$100,000 by June 4, 2021 which is the fifth anniversary of the opening of the back nine. We are reaching out to our volunteers, members, friends, past donors, community, veterans' organizations, and anyone else you can think of who may want to consider making a tax-deductible donation. As a thank you, we will send donors gifts corresponding to the amount of the donation, as listed below:

- | <u>Donation Amount</u> | <u>Gift</u>  |
|------------------------|--|
| • \$2,500 and above    | Numbered print of Hole #11 signed by Jack Nicklaus*  |
| • \$500 to \$2,499     | Unnumbered print Hole #11 w/ Jack Nicklaus signature |
| • \$50 to \$499        | Unsigned print of Hole #11                           |

\*Every Jack Nicklaus signed print bears his original signature, not a copy.

See the second page to view the process for donating and receiving your gift. Then complete the Donation Form, enclose your credit card info, check, or cash donation, and mail or submit in person at the golf course. If you have friends or relatives who would like to contribute, make a copy of the Donation Form. Have them complete it and send it in with their donation.

Please help us make our "Little Slice of Heaven" a little bit better.
